## *SSidekick's Romance*

11/8/13

While shopping for the perfect gift at The Vintage House, SSidekick's impersonation of a breath inspector pays off yet again. How else could a rubber Stress Relief Professional find true love with a smokin' hot Plastic Princess?

They said it could never last, a small rubber boy in love with a huge plastic girl. But it was a match made in the Personalized Gifts aisle – and there's no app for that!

She longed for a good squeeze. He had a burning desire to feel her hot red lips all over his face. "Thank you, small squishy sir," she said, "I shall never be stressful again!"
