Dear Jim,

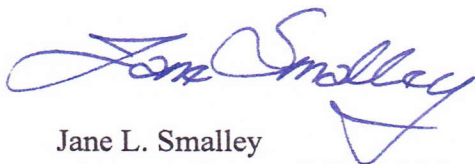

Word for Word! What else can I say?!

Jim, you should be very proud of the super work you did on the script for Trammell Crow Company's 50th Anniversary Gala Dinner. I thought George and Curtis did a fine job delivering your humorous lines. I hope you were as pleased with the performance as I was. I know they both thoroughly enjoyed the airtime!

I was so glad you and Mary Barry could join us for our celebration. It was great to see you both sit back and enjoy yourselves. I hope it's not too long before we can work together on another project. I have a feeling George may be asking for you again.

Best wishes,

TRAMMELL CROW COMPANY
